

Recruitment of Foreign Students Studying in China under Chinese Government Scholarship Program

Tianjin University is one of the designated Chinese institutions of higher education, authorized by China Scholarship Council and the Ministry of Education of China to recruit the foreign students under Chinese Government Scholarship Program.

Brief introduction of Tianjin University

Tianjin University is the first university in China founded in 1895 and also one of the key universities directly under the Ministry of Education of China. Over one hundred years of history, the university has formed a distinct style, which takes engineering as core, combining with science and other disciplines of management, economy, literature, philosophy, art, education, pharmaceuticals and Chinese language Teaching and so on, thus developing an integrative layout.

Since 1949, our university has cultivated a large number of leading and senior cadres, hundreds of the head of large state-owned enterprises and chief engineers. Partly estimated, in our school alumni there are over 60 academicians of the Chinese Academy of Sciences and Chinese Academy of Engineering, more than 50 presidents of university. Tianjin University began to enroll international students from 1954, and it is the earliest universities to accept international students in china. Up to now, it has accepted more 20,000 international students of different levels from over 140 countries and regions in Asia, Africa, Europe, North America, South America and Oceania.

Student types and Duration of scholarship
